

ORDER AGAINST LEE COUNTY STOCK NOT AN OFFICIAL RULING

REPRESENTATIVE DEVINE HAS
TAKEN MATTER UP WITH
THE AUTHORITIES

ORDERS OF PACKERS' ORIGIN

Almost Entire County Is Free From
Federal Quarantine
At This Time

Representative John P. Devine of this city has taken up with the Bureau of Animal Industry at Washington, D. C., the matter of the shipment of stock out of Lee county to the Union stock yards in Chicago, which has been held up on account of the foot and mouth disease. The stock yards have refused to receive any stock from Lee county, but according to the reply received by the federal and state authorities there is only a small area in Lee county that is restricted and the refusal on the part of the stock yards to receive stock for immediate slaughter is wholly an order on the part of the stock yards company and not from any state or federal order. The matter was taken up by Representative Devine through Hon. J. Hamilton Lewis at Washington with A. D. Melvin, chief of the Bureau of Animal Industry, and the following letter was received:

"By order 238, it will be seen that the greater part of Lee county, Ill., was released from the federal foot and mouth disease quarantine, effective Nov. 1. That part of the county which has been continued under what is designated as restricted area quarantine consists of the territory lying within a radius of 3 miles of sections 22 and 29 of May township. Under the terms of the restricted area quarantine cattle, sheep, other ruminants, and swine may be shipped interstate from such areas subject to the requirements of the state of destination for the purpose of immediate slaughter, but interstate shipments for any other purpose is prohibited.

It is not possible to state at this time when that portion of Lee county remaining under quarantine will be released. It is hoped, however, that the present favorable conditions in that district will continue and that the release may be made effective at an early date."

RINK & SCHNELL GET CONTRACT FOR SEWER

LOCAL FIRM WILL BUILD OTTAWA
AVE. IMPROVEMENT
THIS YEAR

The city council met in adjourned session this morning at 10 o'clock for the purpose of awarding the contract for the construction of the Ottawa avenue sewer, on which four bids had been received at the regular meeting of the council on Tuesday. Contractors Rink & Schnell's bid of \$1919.60 was the lowest for the work and they were accordingly awarded the contract. The next lowest proposal was that of Chas. F. Nesbit of this city and his bid was \$53.40 in excess of the Rink & Schnell estimate. The sewer is to be built from the manhole in the intersection of Ottawa avenue and Sixth street north to within ninety feet of the intersection at Third street. Work will start within the next few weeks as it is hoped to have it completed this year.

SPECIAL MUSIC AT ST LUKE'S SUNDAY

CANTATA WILL BE SUNG—OR-
CHESTRA AND SOLOISTS
WILL ASSIST.

Special music under the supervision of the chorister, Mrs. W. H. Smith assisted by Mrs. Herbert Martin, will feature the Sunday services at St. Luke's. The splendid regular choir will be assisted by the pupils of Mrs. Martin and the W. H. Smith orchestra. Mrs. Pauline Reynolds Harvey, Mrs. Lucile Reynolds Ralston, Mrs. Bryan and other Dixon singers will participate.

In the morning at the 10:30 service Mrs. Charles B. Hazelrigg, leading prima donna of the Andrews Opera Co. will sing as an offertory Cardinal Newman's hymn, "Lead Kindly Light." At the 4:30 vesper service a beautiful Easter cantata will be rendered by the choir, with Miss Olive Hutchinson will also sing "There is a Green Hill Far Away," by Gounod.

Prominent Italian newspapers declare that mistrust exists as to the benevolence of Greece toward the entente.

Abandon Riga Campaign.

The German thrust again Riga along the railroad from Tukum has been abandoned because of the heavy rains which have transferred the district into swamps, Berlin announces. Russian attacks near there, supported by warships, have been repulsed by Hindenburg.

MAYOR HOLDS ON TO JOB AS POLICE CHIEF

APPELLATE COURT WILL NOT
DECIDE AURORA CASE UN-
TIL DECEMBER.

MAYOR IN THEREFORE BIG "I AM"

Aurora, Nov. 11—A definite claim following the police department upheaval in which Chief Michels and the police board were removed by Mayor Harley and Capt. Fred Grass suspended ten days by a commission the mayor appointed, has now settled and to last, it is believed, until December 6.

In the appellate court Wednesday at Ottawa the judges decided they would hear arguments Dec. 6 as to whether the injunction restraining Chas. S. McCarty from interfering with Frank Michels as chief of police should be dissolved. Attorney John K. Newhall, representing McCarty, wanted the case heard at once but John C. Murphy, counsel for Michels, asked for ten days in which to examine the briefs of McCarty's counsel and to prepare briefs of his own. As Judge Niehaus of the upper court could not be present at the time, Attorney Murphy suggested, and as an affidavit of Attorney Newhall's set up that the mayor had assumed the office of chief of police, removing Chief Michels, the court decided the case was no longer one of great emergency and put off the date of the hearing until all of the court could be present.

The apparent result of the action by the appellate court is to keep both Michels and McCarty out of the chief of police office. Michels can not bring proceedings against McCarty until he takes hold of the office and McCarty cannot take the office until the injunction is dissolved unless he ignores the writ.

NORTHERN ILLINOIS TEACHERS ASSN. TO MEET HERE IN 1916

PRESIDENT WRITES ASKING IF
THE CITY WOULD CARE TO
HAVE SESSIONS.

BOARD OFFERS USE OF BUILDING

Meeting Would Bring Several Hun-
dred Pedagogues Here for
Few Days.

The monthly meeting of the south side school board was held Wednesday evening and routine business was taken up. An invitation was received to attend the annual meeting of the boards of education and superintendents to be held at the State University at Urbana opening Wednesday and closing Saturday of next week. Superintendent W. R. Snyder expects to attend and possibly a representative of the board will also be present.

The matter of erecting a basketball court on the play ground at the high school building was brought up together with other apparatus for the play ground and the question was referred to the chairman of the building and grounds with power to install.

Superintendent W. R. Snyder, who was elected chairman of the executive committee of the western section of the Northern Illinois Teachers' association at Rockford last week, stated that he was in receipt of a letter from the president of the association asking if Dixon cared to entertain the association at their meeting next year. The association met in this city six years ago and several hundred teachers attended the three days' session. The date of next year's meeting has not been set but will likely be held October 20 to 22. The board offered the association the use of the high school building and other courtesies within their power. The high school building can be used for the sectional meetings but a larger edifice will have to be secured for the general meetings. Dixon is easy of access from all parts of the district and the association would prefer coming here to any other city.

ASKS ICE SUIT BE DISMISSED

Attorney For Cement Co. Made Mo-
tion In Federal Court

In the United States district court at Freeport Wednesday the damage suit brought by the Dixon Pure Ice Co. of this city against the Sandusky Portland Cement Co. was taken up. Attorney E. H. Brewster for the cement company moved that the suit be dismissed and that action should be started in the lower courts as it was a question for a jury to decide. The arguments on this motion were continued until next Wednesday.

Roebblings Sons Wire Rope Plant
Damage \$500,000 Today

(Associated Press)

Trenton, N. J., Nov. 11.—One of the wire rope shops of Roebblings Sons Company was destroyed by fire, loss \$500,000. Inasmuch as the wire rope made is for domestic use only the theory of incendiarism is scouted by the officials. Last January the company sustained a half million loss by fire.

This afternoon it was announced that the loss would be nearly \$1,000,000. The company had orders from some European countries, which led to rumors of incendiarism, but nothing was found to substantiate the reports.

STARTS WORK ON NEW STATUE OF A. LINCOLN

SCULPTOR O'CONNOR WILL RE-
CEIVE \$50,000 FOR COM-
PLETED WORK.

FACE SAID TO BE WONDERFUL

(Associated Press)

Springfield, Ill., Nov. 11.—After spending several days in the "Lincoln atmosphere" of Springfield, Andrew O'Connor of Worcester, Mass., has returned home filled with inspiration for the statue of Abraham Lincoln which he was commissioned to make by the state art commission, which includes six of the leading artists of the west.

The completed statue, for which Mr. O'Connor will receive \$50,000, will be placed on the state house lawn here. Its dedication is planned to be a feature of the Illinois Centennial celebration of 1918.

The face of the O'Connor statue of Lincoln was pronounced a marvel by Lorado Taft, the Chicago sculptor.

"It would be a distinct loss to the world if anything should happen to that face," said Mr. Taft, who advised Mr. O'Connor to hurry back to his Worcester studio and make a plaster paris cast of the clay model of the face.

"I have tried to portray the humanity, the humanity and the wonderful vision of the man Lincoln," said Mr. O'Connor in speaking of his work.

O'Connor is an American by birth but has spent many years abroad. His design for the Lincoln statue was selected in competition with most of the noted sculptors of America. Thus far he has devoted seventeen months work to the statue and expects that it will occupy him at least two years more.

During his visit here Mr. O'Connor visited the Lincoln home many times and also had many conversations with several old men whose proudest boast is that they knew Lincoln.

CONDUCTOR NEARLY THROWN UNDER CARS

NORTHWESTERN FREIGHT MAN
HAD NARROW ESCAPE
THIS MORNING.

Conductor Jordan of freight train No. 125 on the Northwestern road, had a narrow escape from serious injury in the Dixon yards this morning. The train had set out the Chicago merchandise cars here and was pulling out with about sixty empty gondola cars. Conductor Jordan attempted to get on after about half of the train had passed and the car that he caught did not have a foot stirrup or he missed it and was thrown and narrowly missed being rolled under the wheels of the train. He bruised both hands considerably but went on with his train to Nelson.

SENATOR SCOTT SUCCEUMBS

Nervous Breakdown Is Fatal to Wis-
consin Legislative Leader.

Barron, Wis., Nov. 11.—Senator George E. Scott of Prairie Farm died after a long illness from overwork as chairman of the senate finance committee two years ago. He was chairman of the Republican central committee. He was owner of the finest country store in America.

At the last session of the legislature Senator Scott was selected to fill the position of chairman of the senate committee on finance. When the legislature had finished about half its business Senator Scott broke down physically. He entered a sanitarium at Madison, taking treatment for nervousness. After several weeks of treatment he went to his home at Prairie farm. His condition gradually grew worse until death ensued.

PASSENGERS PANIC CAUSE OF LOSS OF LIVES ON ANCONA

SUBMARINE FIRED AT SHIP AS
PASSENGERS TOOK TO
THE BOATS.

347 ARE NOW REPORTED SAVED

It Is Believed Others of 149 Still Un-
accounted For Will Be
Reported.

(Associated Press)
The Italian liner Ancona was not sent to the bottom without warning, according to the stories of some of the survivors, who say that the Austrian submarine, which had been pursuing the ship, gave a brief time for the removal of passengers.

Panic Among Passengers.
Malta dispatches say that the loss of many lives is declared to have been due to the panic among the passengers, caused by the sight of the submarine, and to the alleged fact that the submarine fired repeatedly before and after the liner as the passengers were taking to the boats. Quite a number were drowned.

Gave No Signal.

A Tunis cablegram says the commander of the Ancona has arrived there and he declares that the submarine gave the liner no signal to stop; that the vessel was shelled first from a distance of five miles, and that she stopped. Subsequently, he says, shells hit the boats in which the passengers were being loaded, many being killed on deck and in the boats. The submarine continued firing until she was within 300 yards of the Ancona.

Another Account.

Other accounts declare that two submarines took part in the attack; that the Ancona made no attempt to escape; one undersea craft headed her off.

149 Unaccounted For.

The American consul at Naples has reported 347 saved out of the 496 aboard the Ancona at the time of the disaster, leaving 149 unaccounted for. Some of these, it is believed, will be reported saved.

U. S. Waits Report.

Sec. Lansing announced today that dispatches to the state department contained only fragments of information and of the statements of survivors of the Ancona. He said all possible information will be gathered before the matter is taken up with the Austrian government. The department is as yet unable to determine how many Americans were lost.

MANY KILLED; SCORES INJURED IN STORMS

HEAVY PROPERTY LOSS ALSO RE-
SULTED FROM TORNADO
LAST NIGHT.

(Associated Press)

Kansas City, Mo., Nov. 11.—In a series of violent storms in Kansas, Nebraska, South Dakota and Iowa last night a number of people were killed, scores were injured and heavy property damage was done. Great Bend, Kan., reported over the telephone that two people were killed and thirty-six were injured in a tornado there last night. The property loss is estimated at \$500,000.

According to reports which reached the long-distance telephone office at 9 o'clock when wire communication was re-established, the Atchison, Topeka and Santa Fe station was demolished and half the houses of the city were wrecked. Three large flour mills and a number of grain elevators were in the path of the storm.

Judge Landis Yesterday Sentenced
Former Postmaster

Freeport—William B. Gray, former assistant postmaster at Mount Morris, Ill., has been sentenced by Judge Landis in Federal Court here to serve one year and a day in federal prison at Leavenworth, Kan. Gray pleaded guilty to forging the signature of the postmaster at Mount Morris to money orders made payable to himself. "Whisky did it," Gray told the judge.

WIDE HIGHWAY.

The widest paved highway in any Illinois rural district, to be in front of Col. George Fabyan's Riverbank Villa, Geneva, will be completed in ten days, providing favorable weather prevails, according to Co. Highway Supt. George N. Lamb.

The highway will be thirty feet in width. The other pavements in rural communities of Illinois are 18 feet wide.

Col. Fabyan has contributed \$10,000 to have the 30 foot pavement instead of an eighteen foot pavement put in.

John McGowan and Ed Burns of Amboy were here this morning.

Frank Stultz was down from Oregon today calling on friends.

Ten Big Vaudeville Acts At Elks Club On Monday Eve

House Committee Prepares Big-
gest Entertainment For
Members

(Associated Press)

Monday evening will be the "biggest" in the history of Dixon lodge No. 779 B. P. O. Elks. The greatest evening's entertainment for members of the lodge has been arranged by the house committee, and promptly at 8:30 o'clock a performance of ten big vaudeville acts, direct from the Benson Entertainers in Chicago, will be given. Each of the acts has been selected carefully for Monday evening's affair, and music for the acts and during the evening will be furnished by the Marquette orchestra. A big feed will follow the entertainment, which means that everything possible will be done to make the night the finest ever. The entertainment is for the members of the lodge and visiting Elks, only.

MILLION DOLLAR ROAD BOND ISSUE

KANE CO. SUPERVISORS FAVOR
BIG PROJECT—TO SUB-
MIT QUESTION.

STATE FUND TO TAKE UP BONDS

The roads and bridges committee of supervisors of Kane county are "good roads mad" and they have declared in favor of a million dollar bond issue for improving the "velvet" roads of Kane county by making at least 150 or 200 miles of roads of the hard variety.

The committee adopted such a resolution at a meeting yesterday and the resolution will be presented at the next meeting of the supervisors.

The supervisors' committee believes that all the Kane county highways must be made hard-roads or otherwise improved and eventually they figured that the work might as well be done now as to be extended over a period of years by doing a little each year.

The state aid road fund available for Kane county each year will be sufficient to retire the bonds year by year after the work is done and the present generation will get the benefit of the roads. The state aid fund this year is \$54,800, with the state and the county contributing half of the amount.

The bond issue would be decided by the voters at the next general election.

Judge Threatens Action To Punish Injunction Violators

The calling of a special grand jury to deal with the state live stock commission's killing of Mrs. Scott Durand's prize cattle on Tuesday was only one of a variety of grim predictions to be heard about the Lake county court house at Waukegan yesterday.

Judge C. E. Edwards of the Circuit court, whose injunctions were disregarded by the men who did the killing, was openly on the warpath.

"I didn't go into this without due deliberation," he said. "It was only after the claim was made that the Durand herd was entirely recovered from the foot and mouth disease, and the state has made no attempts to disprove this claim.

Threatens Heavy Penalty

"I do not know what will be done. The cattle are killed now, and the time for haste is past. But I want to punish those who were guilty of this unpardonable offense, and I want to go after them in the way that will punish them most. I am going to hear what Mrs. Durand's attorneys have to offer, and then proceed according to my best judgment."

Robert Hes, Mrs. Durand's chief counsel, termed the slaughter "anarchistic," but, like Judge Edwards,

AUTOS COLLIDED AT THIRD AND PEORIA NO ONE WAS HURT

DR. J. W. RICE, A. G. HARRIS AND
L. H. SHOVER HAD MIRAC-
ULOUS ESCAPE.

RICE CAR SHOVED ACROSS STREET

Was Jammed Into Telephone Pole—
Warrant Was Issued for
Shover's Arrest.

Two Ford cars crashed together at the intersection of Third street and Peoria avenue at 11:45 o'clock this forenoon and as a result both cars were put out of commission, but fortunately none of the occupants sustained more than a shaking up.

Dr. James W. Rice was going south on Peoria avenue where, just before reaching the intersection of Third street he turned out to pass two wagons and was running on intermediate speed and had just reached over to throw it into high when he reached the crossing when he noticed another Ford car up Third street from the west. This car was being driven by Lemar H. Shover of 6450 Woodlawn avenue, Chicago, and in the car with him was A. G. Harris of this city. Their runabout car was enclosed with curtains on account of the wind and was being driven at good speed in order to make the Third street hill.

The driver did not evidently notice that Dr. Rice was crossing the street ahead of him as he did not vary the course of his car and he crashed into the rear of the Rice car.

Broke One Rear Wheel.

They met at the manhole in the center of the street and the Rice car was pushed over against the curbing at the southeast corner of the street, breaking every spoke in the left rear wheel. Shover's car, when it could not push the Rice car farther was thrown over on its side and the occupants crawled out. Persons who witnessed the accident thought that the men could not escape injury and were surprised to see them get out unharmed. Dr. Rice wrenched his back slightly by being thrown against the back of the seat.

The Rice car sustained the greatest amount of damage. All the spokes were broken out of the left rear wheel while two spokes in the other wheel were broken. A rear fender was badly jammed and the side of the body dented. The car driven by Shover sustained a broken windshield, broken radiator and the lamps were broken. Both cars were taken to a garage shortly after the accident.

Mr. Shover is a traveling man and the license number on the car was issued to George H. Simpson of Wheaton. Shover had been using the car to travel over the country.

A warrant was sworn out this afternoon for the arrest of Shover on a charge of speeding and he will be given a hearing before Justice Grover Gehant.

On complaint of Mr. Shover a warrant was sworn out for Dr. Rice on the charge of speeding. A continuance was taken in both cases until Thursday morning, November 18. The Shover case is set for 9 a. m. and the Rice case at 10 a. m.; both to be heard by Justice Grover Gehant.

MOVING INTO NEW GARAGE

The Wilson Auto Co. is moving into its new garage on Ottawa avenue.

said that the matter of retaliation will be approached deliberately. He suggested a variety of actions, charges of contempt of Judge Edwards, assault upon Mrs. Durand, false imprisonment, based on the locking of Mrs. Durand in her house, and suits for damages to the full value of the herd.

"Mrs. Durand is nervous," he said, "too nervous to be rational in her demands for vengeance."

Mrs. Durand Is Bitter

Mrs. Durand spoke bitterly of the way in which the carcasses of her herd are being buried.

"Only half the herd," she said, "has been removed from the barn. The rest was allowed to lie there all night. Those that have been dragged to the trenches have been hauled through the barnyard and the cattle yard. If they were infected surely infection has been spread all along the route, over which crows are hovering, to fly all over the county."

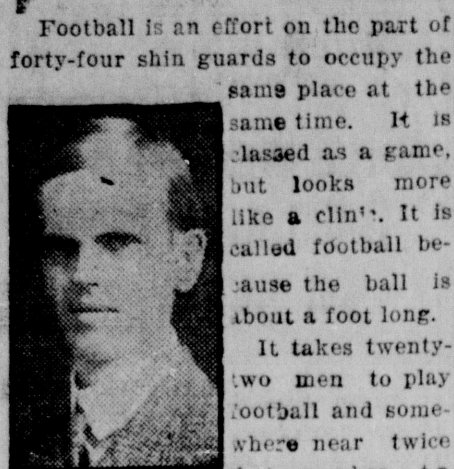

"The team that hauled the carcasses has just left the yard, and they started to leave without being disinfected at all."

The state, it is said, plans to quarantine Mrs. Durand three weeks longer.

FOOTBALL

Football is an effort on the part of forty-four shin guards to occupy the same place at the same time. It is classed as a game, but looks more like a clinch. It is called football because the ball is about a foot long.

It takes twenty-two men to play football and somewhere near twice that number to keep them in repair. An automobile is durability itself compared to a football player. In our large colleges the football garage is constantly filled during the Fall with football players who have had to go back to the shop for a thorough overhauling. The chief objects used in the game beside the players, are a referee's whistle, two goal posts, a Red Cross wagon, a barrel of splints, a loud, virulent yell, a carload of flags and a few thousand rooters with brass-lined throats. A rooter is a baseball fan with a cold weather carburetor. He can stand for hours in the snow and yell without disturbing anyone outside of his own congressional district.

The football is used in the game to locate the disturbance. Wherever the ball is, there is no more peace than there is in a lovefest with an insurgent in it. The object of the game is to take the ball down the field to the goal over, under and through opposition without the aid of axes, saws, carving knives, battering rams or dynamite. Those who have seen a good football team in action realize how little these things are needed, anyway.

Football is not a peaceful game, but

cause of the great objection of the team which hasn't the ball to its progress down the field. A football player is the greatest standpatter in the world. If things can't go his way he doesn't want them to go at all. Some football players are so unscrupulous as to fall down before the advancing runner and twist his ankle by getting it tangled up in their ribs. Frequently also, the man with the ball will snag himself severely on a broken bone, while going through an opponent, or will dent his head on an adversary's teeth, or slip on a slippery face and twist his knee until he yells with pain. Because of these facts football is not considered a parlor game and is making little headway in the female seminaries.

Football is an earnest game and requires various talents. A football player should weigh 180 pounds and should have copper fastened teeth, reinforced concrete shins, a lithe, limber backbone and angle iron knees. He should also have a duplicate nose if possible. The player should be so hard he can dent a locomotive and yet so flexible that he can emerge from beneath twenty-one men, reach out his arm twenty-seven feet and plant the ball between the goal posts. He should also be able to grab a 13-inch shell around the waist and hold it until help arrives. If possible a football player should refrain from marrying.

Football is played mostly by collegians because by the time a man is out of college he has sense enough not to play it. An old player can be told by the quiet way in which he doesn't dodge street cars, automobiles, hoodlums and lightning. If they hit him it is their own fault, and he does not hold himself responsible for the consequences.

MT. MORRIS DEFEATED STERLING

Bowling From Ogle County Victors On Local Alleys Wednesday.

Dixon bowling fans witnessed a contest between Sterling and Mt. Morris teams at the Brunswick alleys Wednesday evening, in which the Mt. Morris bunch took three straight games from the Whiteside county bowlers. The Mt. Morris team had a lead of 115 pins in the three games.

"Hum, ho!" sighed the New Hampshire farmer, as he came in from downtown. "Deacon Jones wants me to be pallbearer again to his wife's funeral."

"Wall, you're goin' to be ain't ye?" asked the farmer's better half. "I dunno. Y' know, when Deacon Jones first wife died, he asked me to be a pallbearer, an I did; and then his second wife died, an I was the same again. An' then he married the Perkins gal, and she died, and I was pallbearer to that funeral. An' now, wal, I don't like to be all the time acceptin' favors without bein' able to return 'em."

Little Donald Vaughan Passed Away At Parents' Home

Donald Robert, the ten weeks' old son of Mr. and Mrs. U. S. Vaughan, residing about 4 miles west of this city, died this morning. He was born on August 30 and has never been very robust. The funeral will be held Friday afternoon at 2 o'clock from the home, Rev. F. D. Altman officiating.

ACIDS IN STOMACH SOUR THE FOOD AND CAUSE INDIGESTION

"Pape's Diapiesin" fixes sour, gassy, upset stomachs in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask for pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

LOUIS DRUMMOND IS CALLED TO HIS MAKER

FORMER RESIDENT OF DIXON
DIED AT DAUGHTER'S HOME
NEAR OREGON

Louis Drummond died this morning at the home of his daughter, Mrs. Jones, east of Oregon. He had been in failing health for sometime, death resulting from a general breakdown. The arrangements for the funeral have not yet been completed. The interment will be in the family lot at the cemetery at Washington Grove, Ogle county.

Deceased was over 80 years of age and was numbered among the old residents of Ogle county. Some three years ago he and his wife moved to Dixon and resided on W. Third street with their son James L. Drummond, until the death of Mrs. Drummond in June this year. Mr. Drummond then went to the home of his daughter near Oregon and has made his home there since. He is survived by three children, James L. Drummond of this city; Andrew Drummond of Ashton and Mrs. Jones of near Oregon.

The funeral of Mr. Drummond will be held on Saturday morning at 9:30 o'clock at the home of his daughter, Mrs. Jones.

SEASON FOR QUAIL OPENED THIS MORN

Bob-White, Bob-White, Bob-White. Boom, boom, boom.

These words tell the story of the annual slaughter in Illinois beginning today of quail.

Nimrods all over the state are ciling up their trusty weapons for what is expected to be one of the greatest seasons for quail this state has seen for many years.

Though the conservation of game birds as instigated by the state fish and game commission has not yet showed its effects hunters declare the feathery tribe is unusually plentiful this season.

The open season is from Nov. 10 to Dec. 10, which opens the season today and closes it at midnight on Dec. 9th.

The state fish and game commission was very desirous of impressing upon hunters that to kill game yesterday would be a violation of the state law and that prosecutions would be made regardless of whether the hunters misinterpreted the law.

The commission with its additional force of deputy game wardens, insists that the bag limit (12 birds) will be strictly enforced. It believes that by strictly enforcing the game laws all sorts of game will become plentiful in Illinois within a few years.

Dramatic Notes

PRINCESS THEATRE

Tonight the Princess will show a feature of unusual merit, "The Blood of Our Brothers," with Crane W. Barr, one of the most popular men in motion pictures, in the leading role. The keynote of this drama is "Peace," the biggest topic of the day. The story is typical of no country or nation, but is produced in a colorful and picturesque charm which adds to the power of the moral of the play. Thousands of dollars have been spent in staging it and without fear of contradiction it may be said that the play is in every way the most wonderful undertaking ever attempted. The comedy for the evening is "Alias James, Chauffeur," a Beauty film with Neva Gardner and Frank Borzage in the leading roles, in which Neva Gardner stars in a masculine part.

OPERA HOUSE

The seventh episode of "Who Pays?" entitled "Blue Blood and Yellow" in three reels will be shown at the Opera House tonight. In connection with this intensely interesting serial will be shown the following subjects: "Lord Barrington's Estate," an absorbing society drama in three reels featuring Violet MacMillan and Wm. Dowling; "Billy's Love Making," a comedy, and "The Chimney Secret," a stirring drama, making eight reels in all.

FAMILY THEATRE

The new bill at the Family which opened last evening was especially pleasing and all four acts scored heavily. Rath Brothers, athletes, have one of the most wonderful acts seen at the theatre in many years and it should be witnessed by everyone. Raynor & Bell have a whistling, singing and dancing sketch and Gladstone & Talmage have a clean comedy sketch in "Him, Her and the Trunk." Leslie Sisters & Edwards have a delightful singing act in which a number of solos, duets and trios are introduced. Picture for this evening will feature Hazel Damm in the spectacular production of Niobe, in six reels.

Walking Hardware Stock Anchored.

Urbana, Ill., Nov. 11.—Two men arrested in the yards here, when searched, were found to be walking hardware stores. Their pockets contained three flashlights, a razor hone, brush, knife, a watch, twenty-five new knives, one pair of pliers, six white-handled razors and one safety razor.

Gas Struck on Farm.

Chester, Ill., Nov. 11.—The company, headed by Dr. George Hoffman and ex-Sheriff Ebers, which has been drilling for oil on the Winkelman farm, six miles due east of Chester, has struck gas at a depth of about 100 feet more.

Keep on Increasing Cartridge Plant.

East Alton, Ill., Nov. 11.—The new buildings at the plant of the Western Cartridge company at East Alton are being rushed to completion as fast as possible. Twenty-five concrete workers worked all day Sunday.

Makes Stubborn Coughs Vanish in a Hurry

Surprisingly Good Cough Syrup
Easily and Cheaply
Made at Home

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2 1/2 ounces of Pinex and make it into a pint of cough syrup, and watch that cough vanish.

Pour the 2 1/2 ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents, and gives you a full pint—a family supply—of a most effective remedy, at a saving of \$2. A day's use will usually overcome a hard cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiacol, which is so healing to the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction given with this preparation or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

AUTO CRACKSMEN GET \$1,800

Bank at Mathersville, Ill., Victim; Rob Minnesota Postoffice.

Aledo, Ill., Nov. 11.—Four cracksmen blew the safe in the Farmers' bank at Mathersville, nine miles north-east, and escaped in an automobile with \$1,800.

Minneapolis, Nov. 11.—Cracksmen wrecked the Osseo postoffice building and took \$335 in money and stamps. The robbery was not discovered until daybreak. Residents who heard the blast thought it was thunder. The robbers fled toward Minneapolis in an automobile.

Survey of Iowa Colleges.

Iowa City, Ia., Nov. 11.—Beginning the first of this week, an official survey is being made of the state university of Iowa and the other institutions under the control of the state board of education. The inspection is conducted under the direction of the United States commissioner of education and is concerned with equipments, faculties and standards in the nine colleges of the university, as well as in the various departments of liberal arts and fine arts.

Legner-Girton

A home wedding, pretty in its ap-
pointments, was that of Miss Hazel
B. Girton, daughter of Mrs. Ida
Ida Girton of Pawpaw, and Dr. Er-
nest F. Legner of the same city. Rev.
Evans of the Pawpaw Presbyterian
church read the service Wednesday
at 4 o'clock, in the presence of 24
guests, relatives and friends, at the
home of the bride's mother. The
bride was prettily attired in a gown
of white pussy willow taffeta and car-
ried a great bunch of white chrysanthemums. Following the ceremony
a three course wedding luncheon was
served. Dr. and Mrs. Legner left on
a honeymoon trip last evening to
points in Minnesota and Iowa. Upon
their return they will make their
home with the bride's mother. Dr.
Legner is a successful veterinarian
of Pawpaw.

ed a small class in drama. The first
meeting was held this morning.

\$1.60 TO STOP TRAIN

In his report to the Ohio state leg-
islature President Willard of the Bal-
timore & Ohio gives statistics with
regard to the cost of stopping a train.
These statistics show that it costs
from \$1.35 to \$1.85 to stop a passen-
ger train at a station on the Ohio
roads, or an average of about \$1.60
a stop. In other words, with a train
would be a cost to the railroad of
\$27.50 for the starting and stop-
ping alone. Among the items enter-
ing into the cost of stopping a train
the most important is coal, as when
a train is stopped the airbrakes are
applied and the coal is used to gen-
erate the steam which compresses
the air. In starting after a stop
there is a great expenditure of
steam in getting under headway and
there is much wear and tear on
equipment.

THE AGE OF INVENTION.

Louisville Courier-Journal: Within the memory of men who are not yet old, Alexander Graham Bell was trying to interest a purchasing public in the stock of a company whose object was to make the telephone a practical means of transmitting spoken messages. There were many persons who regarded the scheme as a rare example of "wild-catting."

The marvel of wireless telephone messages transmitted from Arlington, Va., to Paris and heard in Honolulu, the voice of the speaker recognized, occupies space in the news columns of the day proportionate to its importance. The actual accomplishment, however wonderful, has been discounted as news by the general knowledge or belief that it would one day be possible to project the human voice across the oceans, and perhaps around the world. Nowadays no wonder that science proposes to attempt is popularly believed to be beyond the pale of probability. If Mr. Edison should assure us tomorrow that we should eventually hear sounds from Mars, the announcement would hardly be received with as much incredulity as greeted the statement of Alexander Graham Bell forty years ago that the telephone would become a common household convenience and business necessity.

But for the distressing, progress-detracting strife in Europe, airships would now be attempting, and perhaps successfully, the flight around the world. Long after the invention of the telephone anyone who talked about flying machines was thought to be in a fair way to land in the lunatic asylum, if not land on his nose in the mud after an unsuccessful flight from a house top. Less than 25 years ago New Yorkers abandoned their accustomed tasks to hang out of windows and see a motorcycle propelling itself through Park Row and up and down Broadway. The popular jests pointed at the folly of depending upon the "horseless carriage" as a means of transportation were richest and juiciest five or ten years later. The submarine, which had been a dream of inventors for centuries, was in its rudimentary development as a practical instrument of naval warfare as late as the beginning of the Russo-Japanese war. Now it is proposed to drive submarines across the Atlantic as raiders and nobody will be surprised if this can be done.

The world, as we know it, boasts its golden age, its silver age and its iron age, but the greater age is the age of inventive genius.

TWO MORE FOR LOWDEN.

Two more southern Illinois counties, Williamson and Richland, went on record Saturday afternoon at favoring the nomination of Col. Frank O. Lowden as the republican candidate for governor, mass meetings of republicans held in conjunction with the party managing committees in those counties urging the Ogle county statesman to become a candidate and pledging him their support, says the Rockford Register Gazette.

The action in Williamson county practically insures the support of Col. Lowden of the solid Twenty-fifth congressional district, all of the counties in it having expressed a preference for him for gubernatorial honors.

The sentiment in all of the 45 counties in southern Illinois on the governorship is the same as it is in the numerous counties which have held mass meetings to make known their views. No candidate other than Col. Lowden is seriously considered down in Egypt and the republicans of that section declare they will make the northern Illinois counties go some if they equal the vote they give to the Ogle county man.

Louis L. Emmerson of Mt. Vernon, Illinois, a candidate for the republican nomination for Secretary of State at the 1916 primary, was a Dixon visitor yesterday and this morning. He left today for Freeport. Mr. Emmerson is a splendid man and he seems to be slated for the prize. Illinois republicans like Mr. Emmerson.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

Best for liver, and bowels, bad breath, bad colds, sour stomach

Get a 10-cent box.

Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels, or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

No. 176.

Sealed proposals addressed to the Board of Local Improvements and the Council of the City of Dixon, Illinois, and endorsed proposals for the furnishing of the labor and materials for and the construction of a cement concrete pavement on East River Street in the City of Dixon, Illinois, from the west line of Ravine Avenue Easterly to the east line of the South West Quarter of Section 33, Township 22, Range 9, the same being the east boundary line of said City of Dixon, Illinois, as provided for in Local Improvement Ordinance Number 176, Series of 1915 of said City of Dixon, will be received by the Board of Local Improvements and the Council of the City of Dixon, Lee County, Illinois, at the City Clerk's Office in said City of Dixon, until 10 o'clock in the forenoon on Tuesday, the 23rd day of November, A. D. 1915, and will be publicly opened by the Mayor of said City of Dixon, (who is President of the Board of Local Improvements) at a joint meeting of said Council and Board of Local Improvements to be held in the Council Chambers in the City Hall in said City of Dixon at 10 o'clock in the forenoon of said day. Said bids shall be opened by the Mayor or in the presence of a majority of the Council and shall remain on file in the Mayor's office and be open to public inspection for at least forty-eight hours before an award of said contract is made to any competitive bidder. After the expiration of forty-eight hours, as stated above, said Council and Board of Local Improvements shall meet in joint session and determine the most advantageous bid for the City of Dixon and publicly declare the same.

The work for which said tenders are invited is the construction of 988.3 cubic yards of filling compact in place; 1730 linear feet of cement concrete curbing 6" wide at top, 5" wide at bottom and 20" deep on foundation of gravel or crushed rock 12" wide and 6" deep; 2390 square yards of cement concrete pavement with thick expansion joints on foundation of gravel or crushed rock 3" deep when thoroughly compacted into place as provided for in Local Improvement Ordinance No. 176, Series of 1915, of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by certified check or cash for an amount not less than ten per cent of the aggregate of such proposals. All certified checks must be drawn on some responsible bank and must be payable to the order of the President of the Board of Local Improvements in his official capacity. No bids will be considered unless accompanied by such certified check or cash.

Said cash or certified checks will be held by said Board of Local Improvements until all the bids have been canvassed and the contract has been awarded and signed. The return of such check or cash to the successful bidder being conditioned upon his appearance within fifteen (15) days after having been notified of the award having been made to him or them, accompanied by his or their bondsmen and executing a contract with said Board of Local Improvements for the completion of the work awarded and giving a bond satisfactory to the Board of Local Improvements and Council of the City of Dixon.

A bond of \$5,000.00 will be required conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the said Board of Local Improvements and Council of the City of Dixon. All proposals must be made on blanks which will be furnished by the City Clerk's Office.

with said Board of Local Improvements for the completion of the work so awarded and giving a bond satisfactory to the Board of Local Improvements and Council of the City of Dixon.

A bond of \$4,000.00 will be required conditioned for the fulfillment of the contract in accordance with the ordinance and specifications and to the satisfaction of the said Board of Local Improvements and Council of the City of Dixon. All proposals must be made on blanks which will be furnished by the City Clerk's Office.

Payment for the work for which said tenders are invited is to be made in cash or bonds, payable when the contract is completed and the work accepted by the Board of Local Improvements and Council of the City of Dixon, bonds to draw interest at five per cent per annum. No bids will be considered unless the party making it shall furnish evidence satisfactory to said Board of Local Improvements and Council of the City of Dixon of his experience and ability in this class of work and that he can control sufficient capital to enable him to successfully prosecute the same in case the contract shall be awarded to him.

Bidders will examine the ordinance, maps, plats, plans, profiles and specifications and also the locality in which said work is to be done and judge for themselves of all the circumstances and surrounding conditions affecting the cost and nature of the work. Specifications for said work are on file in the Mayor's office, and may also be seen at the office of the City Clerk of the City of Dixon from and after this date.

The person to whom the contract for the construction of said improvement is awarded shall, before the commencement of work under such contract, provide ample, suitable and valid insurance policies to provide against and pay all claims for injury to persons or property arising under the laws of the State of Illinois, in the prosecution and construction of said work.

The Council and Board of Local Improvements reserve the right to reject any and all bids.

A CHILD GETS CROSS SICK AND FEVERISH WHEN CONSTIPATED

Look, Mother! If tongue is coated, Clean little liver and bowels

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleaning at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, sore throat or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you will have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."

AUTOMOBILE WRECK; BYRON YOUTH KILLED

LAD WAS THROWN AGAINST A ROCK CLIFF—DEATH WAS INSTANT.

Floyd Heldson, 18 year old son of Walter Heldson of Byron, was instantly killed Monday morning when an automobile in which he was driving overturned and Heldson shot from his seat in the vehicle and struck upon his head at the foot of an embankment, over which the car capsize.

The car was driven by Dr. J. F. Stokes of Byron, who had just purchased it and had not become accustomed to driving it. He took young Heldson, who was a practiced driver, with him on a professional visit in the country.

Just east of Byron, near the culvert of the Great Western railway, Dr. Stokes lost control of the steering gear and the car swerved from the roadway, plunged through a fence and shot down a steep embankment. Heldson was thrown from the car and his head came in contact with a rock at the bottom of the cliff, death ensuing instantly.

Dr. Stokes suffered internal injuries of a serious nature together with a broken shoulder and severe bruises about the body. He was taken to Byron and given medical and surgical attention. The outcome of his injuries is regarded as uncertain. The car, a Ford, was not materially damaged.

ROCHELLE.

Rochelle, Nov. 10.—The Antoine cafe now occupies the entire floor of the Gardner block, corner Lincoln highway and Lincoln avenue. The place is better located to care for road men, tourists, traveling men and local boarders. The Antoine standard of meals should make the luncheon room more popular than ever.

A number of local women are attending the Federation meeting today at Rockford. Mrs. A. M. Peck will be entertained by Mrs. S. W. Wiersching and Mrs. Fred W. Graft will be the guest of Mrs. E. J. Austin.

Mr. and Mrs. Philip Heller of Fairdale were guests of Mr. and Mrs. Alvin Countryman Tuesday.

The Rochelle vs. Dixon football game here Saturday should be interesting. While Dixon made a better showing early in the season than Rochelle, the latter is gaining strength. DeKalb, which defeated Rochelle 13 to 7, walloped Dixon 16 to 0 Saturday. Rochelle squeezed out a 3 to 2 victory over Mt. Morris college.

B. Elge, who was rendered homeless by the fire in the Woolf flats, has moved into the Dr. Fouser residence, 8th street and 9th avenue.

Mrs. Daniel Wagner of Creston and sister, Mrs. Chamberlain of Speechers, N. Y., spent Saturday with Mr. and Mrs. Alvin Countryman.

GRANDMA NEVER LET HER HAIR GET GRAY

Kept her locks youthful, dark, glossy and thick with common garden Sage and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Hair Remedy." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover that dandruff is gone and hair has stopped falling. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

Must Pay Unless "Emancipated." Madison, Wis., Nov. 11.—That a student, who is a minor and has lived in Wisconsin for more than a year and is self-supporting, is not a resident of the state, exempt from nonresident tuition, unless he can show that he has been emancipated by parents or guardian, is the opinion of Attorney General Owen to Professor H. J. Thorkelson of the university.

PUBLIC SALE.

At Woodlawn Home Farm, just west of Sterling, Ill. Monday, November 15, 1915. 20 Holstein Bulls 20

Quarantine regulations have for the past year prevented the shipment of breeding cattle from Illinois to other states, consequently we have accumulated these bulls. We are short of room for younger animals coming on, and must sell these older bulls. They will run in age from 12 months to 24 months. Most of them are by our great herd sires. They are the kind we usually receive from \$300 to \$500 apiece for at private sale. This is a chance of a life time to buy a splendidly bred bull at your own price.

A well bred Holstein bull bred to ordinary cows will produce heifers that on the average will give TWICE as much milk as their mothers. There is an unlimited demand for grade Holstein cows at from \$100 to \$150 apiece.

No investment can be made that will pay such large returns as a good Holstein bull.

Remember we have bred and developed the CHAMPION HEIFER of Illinois. A number of her three-quarter brothers are included in this sale. Buy good—breed better.

8 Duroc Jersey Boars. Free lunch at noon. Sale immediately after.

Terms: Cash or six months or one year's time on approved notes bearing 6 per cent interest from date.

ARE YOUR KIDNEYS WELL

MANY DIXON PEOPLE KNOW IMPORTANCE OF HEALTHY KIDNEYS.

The kidneys filter the blood. They work day and night. Well kidneys remove impurities. Weak kidneys allow impurities to multiply.

No kidney ill should be neglected. There is possible danger in delay. If you have backache or urinary troubles,

If you are nervous, dizzy or worn out, Begin treating your kidneys at once;

Use a proven kidney remedy. None endorsed like Doan's Kidney Pills.

Recommended by thousands. Proved by Dixon testimony.

W. Walford, blacksmith, Peoria avenue, Dixon, says: "I used to have quite a lot of trouble with my back and kidneys. The kidney secretions were irregular in passage. My back ached, too. I used several boxes of Doan's Kidney Pills and the pains left my back and my kidneys became regular in action." (Statement given May 21st, 1912.)

NO TROUBLE SINCE. On January 21st 1915, Mr. Walford said: "I have had no kidney trouble at all for the past few years and I give the credit of my cure to Doan's Kidney Pills."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Walford had. Foster-Milburn Co., Props., Buffalo, N. Y.

BEST MINNESOTA BARGAIN.

About 625 acres of the best land in this state as smooth as a floor and cut on the north by good river (full of fish), and cut on the south by big ditch, just completed, and this ditch is about eight feet deep and shows the best of good yellow clay clear to the bottom. The top soil is the best black sandy loam to be found in Minnesota. The water is pure, and never failing well on the place, which is occupied by tenant. This farm is as smooth as the best of the Red River Valley it should not be confused with same, as this is near the highest point of land in the state.

There is fair house and also other buildings with some fenced in pasture and also some field in crop, and all the land desired for crop can be broken with tractor and as this is new land one crop of flax will pay for it at the bargain price of \$25 per acre.

Five thousand dollars cash will handle the deal and it is near direct line to Duluth, which is the best market in the Northwest.
